Got it, going to connect you directly in a different email so we don't keep pinging the rest of the group :)

Alfonzo is out today so I am responding for him. When I last spoke with Alfonso earlier this had not been resolved. The library does not vote in favor of the permit until the access issue is resolved as this would have a severe impact on our ability to serve the public. I am responding because of today's deadline.

Thank you.

Thank you, I've asked them to follow up with Alfonso as I gave them his contact info only, not sure if they've been able to yet. Alfonso have you received any info?

Since this closes the only street with access parking to our building we have a major concern. Our driveway is on Broadway between 1st & Temple. We are a public library open on the days listed except Sunday, how are we to get our staff and patrons in and out?

I've been receiving a few responses, thank you!

Please see attached is the LA Times Food Bowl Event description and closures. Please send me your responses by COB today as well. (This will be the same as last years event)

Please send any notes in regards to the attached event. It is a similar closure to the LA Food and Wine Festival. They have spoken to Disney Concert Hall and got approval. They want to get committee approval before dispensing any official notification to the neighbors. Please send your vote and/or thoughts by COB tomorrow.

Also, tomorrow morning I will be receiving an updated closure request from LA Times Food Bowl in Grand Park and will send that over ASAP for your votes as well.

I'll give it till 5pm tomorrow before giving the answers to the events.

Best,

Lilie

Hello lovely street closure committee-

Happy Friday! I would like to propose we cancel this coming meeting as there will only be one group on the agenda. However, I would like to still get feedback about the one event so I will send that info regarding the closure for LA Times Food Bowl via email on Monday or Tuesday and hope you can respond with yes or no and any edits. Does this work?

Let me know please,
Lilie
